

# Pirates Set Sail !

Welcome Aboard!

Enclosed are your tickets for our 3-hour Pirate sail aboard the Hawaiian Chieftain on Saturday April 28, 2001!

Here are a few points to keep in mind as you prepare:

- We set sail at 2PM! The Chieftain has a regular non-charter cruise which ends at 1PM. Please arrive between 1 and 1:30 so that we can be prepared to board as soon as they are ready for us.
- We encourage drawing your costume inspiration from any genre with a pirate theme -- historical, fiction, SF, fantasy, film, television, comic books, anime, etc. We have some entertaining prizes for the costumes that best tickle our infamously outrageous fancies.
- Swords are permitted as part of your costumes, but the crew requests that you refrain from dueling during the sail, as it would be most unfortunate to sever a sheet, line, or major artery inadvertently.
- Wind and weather can be unpredictable on San Francisco Bay. Be prepared for it to get a bit chilly, and if you wear a hat, make sure it is securely affixed to your head!!
- Your ticket price includes an assortment of appetizers and a non-alcoholic bar. Should you wish to bring your own grog or other adult beverage, the Hawaiian Chieftain has graciously agreed to waive any corkage fees, and will be providing us with a cooler for chilling them. If you plan to bring such beverages, call the organizers at (408) 266-5933 or email [pirates@twistedimage.com](mailto:pirates@twistedimage.com) by the 21st so the crew can prepare an appropriate sized cooler.  
Please exercise reasonable judgement if you choose to imbibe --  
remember we will be at sea on board a sailing vessel and intoxication is inadvisable.
- Driving Directions and a map are on the reverse

We look forward to seeing you on the 28th!

Kevin Roche and Karen Tully
